### **CRITERION I – CURRICULAR ASPECTS**

#### **1.1 Curriculum Planning and Implementation**

1.1.1 Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The mechanism of well planned curriculum delivery and documentation is as under:

- To transmit the light of education to the last man of the society.
- To work for betterment of standard of living of the villagers
- To work for the betterment of rural occupations like agriculture and animal husbandry.
- To impart value based education to well as other small scale occupation for rural youths.
- To impart the education aiming to prepare better advocators of the rural people, and capable of understanding he issues of rural society.
- To spread the thoughts of Mahatma Gandhi among vast majority of the people.
- To work for the sustainable management of the Natural resources
- To advocate and demonstrate the environment friendly life style.
- To develop the citizenship and National interest among youths
- To prepare the youths who can understand the problems of rural India.
- To impart the education of head, heart and hand.
- To work for the humanism

- **The curricula developed/adopted address the needs of the society and has relevance with regional needs. All above aspects are considered in the curricula as following:**

- As 72.22 percent of the population of the country is staying in Rural area, the development of rural people is essential. This aspect had been kept in mind by the founders of the institution at the time of establishment of the Institute. That's why many of the subjects are incorporated in the curricula from rural studies viz. Agronomy, Animal Husbandry, Agril Engineering, Rural Economics, Natural Resources Management, Soil Science and management, Ecology Rural Industrialization etc. Similarly, incorporation of subjects of humanities like languages, History, History of Philosophy of politics, Comparative study of Religions of the world etc. are helping for building the good character and human approach among the students, and in developing value system in the society.
- Along with curricula, various co- curricular programs, celebration of National festivals, Speeches of Successful personalities in the society are becoming useful in developing National character among the students.
- As environmental pollution is major emerging problem, subjects like Ecology and Natural Resources management helps a lot for in depth understanding this issue in wider perspective.
- Special program of Extension-field work as well as arrangement of *Adivasi* (Tribal) area Study camp, Village camp have been proved useful in making correlation with regional society and sounding villages. The institute is taking case of incorporating the new topics and new subjects in the curricula to meet the demands of the changing trends in society. Additional programs and expect (guest) latches on baring issues such of global warming, water crisis, terrorism, climate change, innovative agriculture practices we organized regularly.

There is an examination committee, which is monitoring all exam procedure throughout the year. We have a transparent examination system. We also allow the students to see their answer sheet of the internal exams. If any problem is raised, examination committee is held to solve it. Every decision of the committee is sent to student's parents also.</p>
❖ Research and Development: There is a well established Wheat research station on the campus. Every student is going through the research procedures. Major subjects of Agronomy are fully connected with the research process. The students are carrying out all procedure of the research under the guidance of the Research scientist. Recently, a work on Soya bean research is also started.
❖ Library, ICT and Physical Infrastructure / Instrumentation: The institute has a well developed library with more than 54,000 books in it. We always add new arrival books, magazines and journal into the library. The internet facility is also provided to the students, so that they can search their important topics from it. The institute is trying to increase physical infrastructure every year. We have developed the class room with the ICT facilities. The smart board is also installed in many class rooms.

❖	Human Resource Management: The institute is very active regarding human resource management. The overall workloads of the faculties are balanced. So they do not have more pressure in their work. The institute also appreciates the work of remarkable achievement of the faculty time to time. The grievances regarding the faculties are solved with harmonious dialogue and humanitarian approach.
❖	Industry Interaction / Collaboration: Many NGOs and companies of pesticides, seeds, irrigation and fertilizers are our students' employer. We arrange students' on campus placement program every year.
❖	Admission of Students: Admission of the students is purely on the merit basis. We publish our advertisement on popular news papers and institute's web site. After the result of 12 <sup>th</sup> exam the admission process is started and within 20 days we make the merit list. The institute is giving more emphasis on girls' education. So we are increasing the number of girls' admission. The student can download the Performa of the admission and can upload their application for the admissions in the MRS. We have made provision to give admission to the local students.

#### 6.2.2 : Implementation of e-governance in areas of operations:

❖	Planning and Development: Every faculties and non-teaching staff know computer operation for their office and administrative works. They use internet, email, web sites, SMS etc. For their progress report and feedback. Majority of the faculties have facilitated with the computer facilities. There are also an internet facilities have been provided in the library and the computer laboratory for the faculties and students.
❖	Administration: The use of web based programs has been introduced before many years for the administration purpose. Paperless communication is always preferred in the institution. So we use ICT enabled administration.
❖	Finance and Accounts: There is a regular audit system in the institution for the financial matters. We have internal auditor for the regular follow-up of the financial situation. We use PROFIT software for the financial work. Thus all the accounts are well prepared in a proper manner by using suitable software for it.
❖	Student Admission and Support: We invite the application from the students interested for the admission in the institution. We select the students on the basis of their merit at higher secondary level. We publish an advertisement in the popular Gujarati dailies for new admission. Students can also download the admission form from our website and send it after fulfilling the detail with the required documents. While in MRS, the student can apply online for the admission.
❖	Examination: As we have autonomous status, our responsibilities are much more regarding to the examination. We have transparent examination system. There is regular internal and external evaluation of the students. We allow the faculties to develop their own special evaluation system as per the subject requirement. There is well established CCTV camera at the time of examination. We have also developed software for the result preparation at U.G. and P.G. level.
