4.4.2 Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website)

There are established systems and procedures for maintaining and utilizing physical, academic and support facilities, laboratory, library, sports complex, computers, classrooms etc.

We have enough infrastructure facilities viz. Computer lab., library, class room, sport complex, laboratory, nursery, research station, *gaushala*, weather station etc. All these departments have a departmental head, who is responsible for maintaining and updating his department. This type of decentralize system is beneficial to the students and other visitors and faculty members also. Everyone use these facilities as and when they require without any hesitation.

We have democratic, decentralized and transparent system for monitoring such types of facilities. Other statutory bodies viz. Finance committee, governing body, board of studies, academic committee etc. are also useful in different decision making process.

# **CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT** 6.1 Institutional Vision and Leadership

6.1.1 Mention two practices of decentralization and participative management during the last year (maximum 500 words) There are many unique practices for the decentralization and participative management in the institution. Such as management in the hostel, *Gruhpati mandal*, *vidya mandal*, students' participation in the off-campus co-curricular programmes, *adhyapak mandal*, board of studies, academic council, governing body, examination committee, finance committee, moderation committee,

evaluation committee etc.

6.1.2 Does the institution have a Management Information System (MIS)? **No** 

#### **6.2 Strategy Development and Deployment**

6.2.1 Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Curriculum Development : From the year 2016-17 we have introduced 2 major subjects in BRS. (1) Organic farming and (2) Human resource development. While in MRS we have introduced 5 new courses such as 10 Corporate social responsibility, Agri. Business, Entrepreneurship, Rural infrastructure and sustainable agriculture etc.

Teaching and Learning : There are some practices for teaching and learning quality improvement.

- 1. Correlation of teaching with the field/labour work
- 2. Practical work in the actual field i.e. research station, nursery, farm, dairy, gaushala etc.
- 3. Educational tour
- 4. Work experience for TY BRS
- 5. Use of ICT facilities
- 6. Subject oriented tours
- 7. Progressive farmers' visit
- 8. Extension activities
- 9. Periodical tests and short exams
- 10.Assignments and term papers

11.Seminars and assembly presentation

Examination and Evaluation : We have implemented many exam reforms recently. All the exam hall are equipped with CCTV cameras. There is a examination committee, which is monitoring all exam procedure through out the year. We have transparent examination system. We also allow the students to see their answer sheet of the internal exams. If any problem is raised, examination committee is held to solve it. Every decision of the committee is send to student's parents also.

Research and Development : There is a well established Wheat research station on the campus. Every student is going through the research procedures. Major subject of Agronomy are fully connected with the research process. The students are carrying out all procedure of the research ubder the guidance of the Research scientist. Recently, a work on Soyabean research is also started.

Library, ICT and Physical Infrastructure / Instrumentation : The institute has a well developed library with more than 60,000 books in it. We always add new arrival books, magazines and journal into the library. The internet facility is also provided to the students, so that they can search their important topics from it. The institute is trying to increase physical infrastructure every year. We have developed the class room with the ICT facilities. The smart board is also installed in many class rooms.

Human Resource Management: The institute is very serious regarding human resource management. We have added Human resource development subject into our syllabus. Every year 8 to 10 students are allotted this subject. The overall workloads of the faculties are balanced. So they do not have more pressure in their work. The institute also appreciate the work of remarkable achievement of the
