

# Lokbharati Loksewa Mahavidyalaya, Sanosara

## Institutional Distinctiveness

1. Our institution's thrust area is to develop the student a good citizen for the better society.
2. A good citizen take leadership in the society to solve the problems and issues related to rural society.
3. Our institute's aim is not to make a job seeker but job giver by self employment and different kinds of entrepreneurship.
4. Our educational system is a system of humanitarian approach in nature .
5. New education system placed in India by Mahatma Gandhi i.e. *Nai talim* on the base of truth, peace and non-violence is implemented in our institute since inception.
6. We work for sustainable development which aimed to least exploitation of nature as well as society resulted in to healthy environment.
7. One of the best values of our education system is Co-education aimed to healthy and better family relations.
