There are established systems and procedures for maintaining and utilizing physical, academic and support facilities, laboratory, library, sports complex, computers, classrooms etc.

We have enough infrastructure facilities viz. Computer lab., library, class room, sport complex, laboratory, nursery, research station, gaushala, weather station etc. All these departments have a departmental head, who is responsible for maintaining and updating his department. This type of decentralize system is beneficial to the students and other visitors and faculty members also. Everyone use these facilities as and when they require without any hesitation.
